Local Middle School visits CADES for MLK Day of Caring

On Friday, January 18, 2019, CADES Adult Day Program hosted a Day of Caring event in honor of Martin Luther King, Jr.

Organized by CADES Director of Community Engagement, CADES invited students from Strath Haven Middle School to come to CADES and do art projects with participants in the Adult Day Program. Together, they collaborated to make posters for CADES Putt Putt event which was held last weekend.

CADES participants and the Strath Haven students had fun making art and socializing together.

Featured Winter Artwork

CADES staff and students love decorating and brightening up the walls and hallways of our building here at Rutgers Avenue. This month, we are featuring Room 7 and their Valentine-themed door.

Teacher Matt in Room 7, his students, and talented, dedicated support staff designed candy hearts with names and positive messages to cheer up the downstairs hallway at CADES.
